**Summary of Offenses and Probable Cause Affidavit**

Your Affiant is Detective Jason Selph #701, who is assigned to the Saint Lucie County Jail. On Wednesday July 29, 2020, I was assigned this case.

Deputy Vincent Williams #787 reported the following on July 29, 2020. It should be noted the victim was a detainee, who was incarcerated at the Saint Lucie County Jail.

"While collecting breakfast trays in dorm 1, I heard screaming coming from the other side of the 116 vestibule. Inmate worker Girard alerted me to dorm 4, stating something is going on in dorm 4. I immediately went to dorm 4 and saw several inmates gathered in cell C in what appeared to be a fight. I called a Signal-36 over the radio and removed the breakfast trays from in front of the dorm door so we could enter dorm 4 safely. As I entered dorm 4, I saw the victim standing with his uniform off, sweating profusely with a cut over his left eye. I walked over to the victim and asked him who he was fighting with and then placed cuffs on him. The victim stated he was defending himself. Moments later several deputies arrived on post to assist along with Acting Sergeant Miller and Sergeant Livingston. I asked him again who attacked him and he would not answer. Deputy Normil then escorted the victim out of dorm 4 and placed him in the security enclosure. Acting Sergeant Miller went upstairs and determined inmates Nava and Garcia were also involved in the fight. Deputy Brennan removed Nava from the dorm and Deputy Hassan removed Garcia from the dorm. Nurse Rebecca Mitchell assessed all inmates and cleared them for confinement. After reviewing the video, it shows inmates Nava and Garcia walk downstairs and enter cell B. The victim squared up and took a fighting stance, then Nava and [redacted] started fighting inside cell B. While the victim and Nava were fighting inmate Garcia jumped in and helped Nava fight [redacted]."

I reviewed the video which shows the victim sitting on his bed in his cell. Nava and Garcia are seen walking down the stairs and towards the victim's cell where he is sitting. As Nava approaches the victim, the victim stands up. Nava enters the victim's cell, takes a fighting stance, strikes him, and they began to fight. While they are fighting, Garcia begins hitting the

victim as well. The three enter all the way into the cell as the fight continues and due to obstructions they cannot be clearly seen in the video. After a few seconds, Nava and Garcia are seen leaving the victim's cell, returning to their cell. Deputies arrived and remove all three from the dorm.

I spoke to the victim who told me the following; this morning he spoke to Nava and Garcia prior to this incident about making a lot of noise in the middle of the night. The victim said both Nava and Garcia started threatening him because he said something to them. The victim said he noticed Nava and Garcia coming down the stairs towards his cell. The victim said when Nava reached his cell Nava put his hands up in a fighting position and Garcia said "let's get this motherfucker". The victim said he asked "y'all are gonna jump me" and that is when Nava started punching him. The victim said as he was fighting Nava, Garcia got behind him and started hitting him on his side. The victim said at one point during the fight he ended up on his back on a mattress and Garcia put his knee on the victim's neck, trying to pin him down while Nava continued hitting him in the face.

I attempted to speak to both Nava and Garcia, however post Miranda they both declined to speak to me.

Based upon the video and statement from the victim Nava and Garcia was charged with violating F.S.S. 784.082(3) - Battery by person detained in jail.

The preceding is true to the best of my present knowledge or belief.
